

DISCLAIMER RELEASE

In consideration of the opportunity to acquire a position as a student intern with the U.S. Consulate General in Guadalajara, (the "Mission"),

I,

Print Name

do hereby release the Government of the United States of America that all of its agencies, departments, foreign missions and all of their officers, staff, employees, contractors and subcontractors (the "Releasees") from any and all liability that arises or could arise out of any accident, injury of any type or description, death or other harm or loss that does or could occur to me while on the premises of the Mission or while traveling to or from the Mission or while undertaking any task in relation to my position as an intern with the Mission, even if that accident, injury or death occurs as a result of the negligence, gross negligence or willful recklessness of the Releasees. By this release I waive all right to claim expenses, costs and damages of every description whether arising as a direct result of an accident, injury or death or as an indirect consequence of the accident, injury or death.

And for the same consideration I agree that I will not make or continue a claim against any person who could, might or does make a claim against the Releasees for an indemnification of that person's liability to me.

I understand that I have an opportunity to have this Release reviewed by legal counsel of my choice and that I have either done so or I have decided that I understand it and do not want to obtain legal advice.
